2. REPORTS FROM OFFICERS

2.1 Master’s Business

a) Bursar Recruitment Update
The Master reported that it had been agreed with the Master-elect that the Bursar’s last working day would be Friday 13 October 2023. Terms had been agreed informally with an interim Bursar to serve for up to one year.

Minerva had been appointed as search consultants. In order to give the Master-elect a chance to shape the recruitment, the advertising of the role would be postponed until after he has started, with the aim of having a permanent Bursar in place by the end of 2023-24.

b) Draft Future Plans for Annual Report and Financial Statements 2023 (ACC.2023.06.28.2.1b)
The Master reported that the future plans to be published in the Annual Report would be finalised by Council at its first meeting in Michaelmas, and invited comments to be sent to the Bursar. It was requested that fellowship engagement be included, and the item on refurbishment of the College estate reflect improvements to physical accessibility.

Action: Bursar

The draft future plans were noted.

c) **Fellows’ Re-election and Renewal Process** (ACC.2023.06.28.2.1c)
The updated process was approved.

2.2 Senior Tutor’s Business

a) Postgraduate Admissions Forecast (ACC.2023.06.28.2.2a)
The Senior Tutor reported that the number of students was below target, but the situation remained fluid; final numbers would not be known until matriculation. He noted the potential loss of accommodation income, but that the College could make up the difference by offering accommodation to postgraduate students beyond their first year or to postgraduate students of other Colleges.

The forecast was noted.

2.3 Bursar’s Business

a) Budget 2023-24 (ACC.2023.06.28.2.3a)
The Bursar reported that:

- The overall budget showed an operational deficit of £1.15 million, due to the budgeted increase in operational
expenditure offsetting the budgeted increase in operational income;

- The successful work of the Conferencing Team to increase external conferencing trade was recognised, although there was a natural limit to how much more income could be generated via that source;
- The most significant increase in operational expenditure came from inflationary rises in power, heat and light;
- There was a decrease of nearly £600,000 in commercial property income since before the pandemic, which was not likely to be recovered in the short/medium term.

Student members raised concerns about the catering charges agreed at the previous meeting (CC.2023.05.24.2.3b). It was reported that the College’s commitment to continue providing value meal items would continue, as would additional ongoing consultation with students about the menu, College facilities and the setting of accommodation and catering charges.

The 2023-24 budget was approved.

b) Research Fellowship Funding Review (ACC.2023.06.28.2.3b)
The Bursar reported that, while it was expected that two Junior Research Fellowships, one in Arts, Humanities and Social Sciences (AHSS), and one in Science, Technology, Engineering and Mathematics (STEM), could be funded for the 2024-25 intake, there were not currently enough funds available to support an AHSS Junior Research Fellow in 2025-26.

It was noted that the David Thomson Fund, which was ear-marked to fund an AHSS Research Fellow starting in September 2024, had been used in the past to buy out the teaching of a College Teaching Officer.

Council agreed that the Research Fellowship Competition proceed for the 2024-25 intake on the basis of the identified funding available, and noted that further consideration of available funding to hold a 2025-26 competition would be required during 2023-24.

c) **Financial Procedures Manual** (ACC.2023.06.28.2.3c)
The Financial Procedures Manual was approved.

d) **Campaigns and Political Activity Policy** (ACC.2023.06.28.2.3d)
The Campaigns and Political Activity Policy was approved.

e) **Easter Term 2023 Appeals and Charitable Donations** (ACC.2023.06.28.2.3e)
Council approved the following donations:

- £300 to Blue Smile; and
• £300 to Cambridge Curiosity and Imagination.

f) **Annual Permission for any two of the Master, Vice-Master, Bursar and Senior Tutor to use the College Seal for the 2023-24 academic year**
The annual permission was approved.

\[**\]

g) **Appointment of Messrs Peters, Elworthy and Moore (PEM) as Auditors for the Audit of the 2023-24 Accounts**
The appointment was approved.

## 2.4 Development Director’s Business

Nothing to report.

## 2.6 Student Business

a) **June Event 2023 Update and May Ball 2024 Proposal** (ACC.2023.06.28.2.6a)
The MCR President reported that outline plans for a May Ball on 15 June 2024 were supported by the Domestic Bursar, Head Porter, Head of Maintenance, Head Gardener and the Conferencing and Events Team. A Treasurer had been appointed and a budget would be presented for Council approval in Michaelmas Term. The May Ball Co-Presidents were encouraged to contact the City Council licensing team as early as possible, and to be mindful of the ticket sales limit to be agreed by College Council.

Council noted the June Event 2023 update, approved in principle the May Ball 2024 proposal, and extended its congratulations to the 2023 Co-Presidents and Committee for a successful June Event. It looked forward to receiving a full proposal for the May Ball for final approval in Michaelmas Term.
