REGULATIONS (GENERAL)**

REGULATION G13

*Meetings on College Premises: Code of Practice*  
(in compliance with the Education (No.2) Act 1986, s. 43 and the Counter-Terrorism and Security Act 2015, s.26)

1. Further to Ordinance B,XXII,10-12, which shall be read in conjunction with this Regulation, and for the purposes of s.26, *Counter-Terrorism and Security Act 2015* (CTSA) and s. 43, *Education (No.2) Act 1986 (E(No.2)A)*, the following code of practice shall apply to any meeting or event of a like nature organised by individual students, or by a College student club or society, including where appropriate any dinner, to be held on College premises. The code of practice shall apply whether the meeting or event is held in a private College room or a public or common room or space; and whether held indoors or outdoors.

*Permission required*

2. Advance permission to hold any meeting or event falling under paragraph [1] shall be obtained from the Dean and the Domestic Bursar, in accordance with the provisions of this code of practice. Subject to paragraphs 3-8, permission shall normally be granted or withheld or granted subject to appropriate conditions, as the Dean and the Domestic Bursar think fit, in accordance with paragraphs 9-22.

*Prevention of radicalisation*

3. Further to s.26, CTSA, permission to hold any meeting or event may, exceptionally, be refused on the grounds that a meeting or event poses a risk that persons will be drawn into radicalisation, and into support for or promotion of terrorist activities. Conditions may be imposed on the grant of any permission in order to mitigate any risks of radicalisation. Such conditions may include a change to the proposed venue or date, or to the format of the meeting or event, or to the security arrangements.
4. Permission to hold a meeting or event shall be refused under paragraph [3] only if either:
  - (a) the Dean considers that the risks of radicalisation cannot be mitigated by the imposition of appropriate conditions; or
  - (b) the organiser(s) of the meeting or event refuse to comply with any conditions set.
5. The organiser of any meeting or event which is refused permission under paragraphs 3-4 may appeal to the College Council, whose decision shall be final.

6. Any decision that a meeting or event is not to take place, or may only take place subject to conditions, shall be binding, and shall take precedence over any permission that might otherwise be made under this code of practice.

*Protection of freedom of speech*

7. Further to s.43, E(No.2)A, any application for permission to hold a meeting or event which is to be addressed or attended by persons who are not resident members of the College shall include:

  - (b) the names, addresses and colleges (if any) of the organisers, at least one of whom shall be a member of the College;
  - (c) the name of any organisation on behalf of which the meeting is arranged;
  - (d) the name of any invited speaker, whether or not a member of the College or University;
  - (e) the name of the person(s) nominated under paragraph [20], as being responsible for ensuring the protection of free speech for all persons attending.
8. For the avoidance of doubt, paragraph [7] shall not apply where the relevant meeting or event is:
  - (a) an academic meeting organised by a Fellow of the College; or
  - (b) a meeting known to the Senior Tutor as being commonly or customarily held in the College.

  - (b) meeting organised by a Fellow of the College for the purposes of University or College teaching, or for academic research.
10. In any case other than one falling under paragraph [9], the person wishing to hold the meeting or event, whether an individual student, or the designated officer of a Club or Society (see Ordinance B,XXII,5), or a deputed College representative for any other student group, or the organiser of a conference, shall:
  - (a) apply to the Dean and Domestic Bursar, for permission, normally by submitting the relevant on-line forms, such as Party Wizard, as set up by the Conference Office;
  - (b) confirm that any further permissions required under paragraphs [11] or [12] have been applied for and/or granted; and
  - (c) where the meeting or event falls under paragraph [7], notify the Dean in writing as required.

15. Permission shall not be granted for any meeting to be held in the Music Practice Room, College Library, Sports Ground or Pavilion, or any gardens or grounds of the College or any hostel if the meeting is for the purpose of a formal address by an invited speaker. 18. Permission shall not be granted for any meeting which, in the opinion of the Dean or Domestic Bursar or, where relevant, the Council, would be likely to cause unacceptable disturbance to members of the College or to any person in the neighbourhood of the College.
19. The result of any application shall be communicated to the applicant's College email address, except for cases under paragraph [14], where the applicant may presume that permission is granted unless expressly informed otherwise.
