

Sidney Sussex College
Cambridge, CB2 3HU

****INSURANCE POLICY****

Dear graduate,

This year, the College's Student Contents and Possessions Insurance policy will be provided through *Endsleigh Insurance Services Limited*, originally founded by the National Union of Students in 1965 and the only insurance provided recommended by the NUS today.

The premium for this policy is £16.78, which will provide you with cover throughout the academic year, both in and outside of term. The premium will be payable by all members residing in College single-occupant accommodation (unfortunately, this excludes couples flats) and will be applied to each member's Michaelmas Term College Bill.

Your welcome package includes a "Certificate of Insurance" outlining the key benefits of this policy. Said certificate, along with the document for Key Facts (including how to make a claim) and the Policy wording (including the full terms and conditions), can be found online at the following link: <https://www.endsleigh.co.uk/student/your-student-cover/?HHRef=HH1720>.

In addition to the standard policy covered by the premium, Endsleigh are able to offer additional cover to any individual who wishes to customise their cover for specific items. Details on this can also be found at <https://www.endsleigh.co.uk/student/your-student-cover/?HHRef=HH1720>.

Should you require any additional information regarding the cover, please contact our Tutorial and Student Finance Manager, Mr. David Graves, at +44 (0)1223 760972 or StudentFinance@sid.cam.ac.uk.
